Dear Fellow Scientist,

Telops is pleased to invite you to Milipol 2011, a Worldwide Exhibition of Internal State Security, which will take place on October 18-21, 2011 at Paris Porte de Versailles Pavilion 1.

Come to **booth no. 3H 124** to discuss your infrared camera and Hyperspectral sensor applications with the experts from Telops and Acal-BFI.

Our team will also be pleased to offer interactive demonstrations of the Telops High Definition Infrared Camera **HD-IR 1280**, a true 1280 x 1024 pixel camera solution.

Furthermore, our team is anxious to share its latest developments in airborne hyperspectral measurements with the world famous Hyper-Cam used in a gimbal for several applications.
